As a resource for philanthropy, we work with individuals, families, foundations, and businesses to support your giving goals. We offer philanthropic advising, personalized giving strategies, and learning opportunities to ensure that your experience is rewarding and that your giving is impactful.

We charge an annual support fee based on a tiered schedule for a blended, effective rate. Investment management fees are assessed by individual managers, and fluctuate over time as market values change.

- **Next \$10-\$25 million** 0.50%
- **Next \$25 million** 0.25%

Founded in 1948, The San Francisco Foundation has deep roots in the Bay Area as a philanthropic advisor, social justice funder, and civic leader. Our donors share our commitment to and love for our region. And they have the power to invest in a better Bay Area and beyond.
